### CONSULTATION PRO-FORMA

Page number/section number/ line number	Comment
Document as a whole.	<p>Management of smokers and the effort to reduce the harms of smoking is one of the most significant challenges that faces our health service.</p> <p>The Royal Pharmaceutical Society welcomes the publication of this document and wholeheartedly supports its content. We fully support the responsibilities outlined for every health professional group and the strong focus on a multidisciplinary approach. It is a robust and detailed proposal and we have no specific comments to make. We are confident that it will prove to be of aid to professionals and will have a positive impact on the care and support patients receive.</p> <p>At the RPS, reducing smoking rates and supporting the care of smokers is an important priority for us. We have several resources on our website including:</p> <ul style="list-style-type: none"><li>- <a href="#">Our E-cigarettes policy</a></li><li>- <a href="#">Smoking cessation services audit toolkit</a></li></ul> <p>Going forward, we would welcome joint work with the AWTTC and other interested partners in Wales on this important agenda.</p>
