Local Focused Support

We are able to offer groups in the same geographical location, e.g. those working for the same organisation, a bespoke Faculty submission plan. You can be assigned a champion who will work with you and colleagues to develop a bespoke support plan, based on our Faculty toolkit, so that you are able to work through your Faculty journey together and submit successfully.

Please contact us if you are interested in joining a focused group or are an individual who would like to become a Faculty champion and support others.
