

BNF Paediatric Formulary Committee member: paediatrician

BNF Publications are unique in bringing together authoritative, independent guidance on best practice with clinically validated drug information, enabling healthcare professionals to select safe and effective medicines for their patients.

The Paediatric Formulary Committee (PFC) is the clinical governance board of the *BNF for Children*. Members of the PFC review significant amendments to the *BNF for Children* and contribute to clinical policy decisions for the publication.

BNF Publications are looking to recruit Paediatricians to the PFC. The appointment is for three years, beginning in Summer 2022. Committee work is conducted via monthly electronic forums, and two meetings a year in London or virtually if appropriate (meetings are held in private).

In this role you will:

- Use your clinical experience to contribute to discussions regarding the content of BNF Publications to improve patient care and outcome;
- Contribute to a rewarding and stimulating environment with supportive colleagues;
- Be working for the greater good, affecting the health of large numbers of patients;
- Help to advance prescribing excellence.

Skills and experience

We would welcome an application from you if you have:

- A registered license to practice with the General Medical Council;
- Experience in general paediatrics and are currently working in UK clinical practice as a paediatrician;
- Demonstrable experience on clinical committees in paediatrics;
- Ability to participate in monthly forums and attend twice-yearly Committee meetings (in person or virtually as appropriate);
- Good communication and team-working skills;
- Experience of working with research literature with a willingness to consider clinical data and make decisions;
- Ability to maintain confidentiality as needed;
- A commitment to work within the framework of BNF processes.

Additional information

All Committee members will be offered induction training and receive support from the BNF team and other committee members.

Membership of the PFC is voluntary; reasonable travel and subsistence costs are reimbursed.

How to apply

Please send your up-to-date CV and a brief expression of interest to: sharyl.rodriques@rpharms.com.
