- Prescribing for children & pregnant women
- Discussion on competency, with practical opportunity to use the new RPS Competency Framework
- Repeat prescribing & keeping up to date.
- Scenario’s for group work discussion.

Trainer
Fiona Peniston-Bird BSc (Hons) RHV RGN NIP PGCHE FHEA has been involved in Non Medical Prescribing since 1999 when she became a Community Practitioner Formulary Nurse Prescriber whilst working as a Health Visitor. She trained as a Nurse Independent Prescriber in 2002 and subsequently took a post as Non Medical Prescribing Facilitator within South East Coast Strategic Health Authority in 2003. Fiona founded nmprescribing in 2007. She is Prescribing Lead for Nurses on the Independent / Supplementary Prescribing course at Medway School of Pharmacy and a support tutor for the same course with University of Nottingham. Fiona is an external examiner on all of the prescribing courses at University of Hertfordshire. She is a member of the editorial board for the Nurse Prescribing journal and sits on the BNF Nurse Prescribers Advisory Group, who review the NPF. She recently completed bespoke NMP project work for Health Education, Kent, Surrey & Sussex, and Health Education England. nmprescribing have a varied menu of CPD for Non Medical Prescribers, please contact us for more details.

This event is available as in-house training.
