We will cover reasonable travel expenses and will provide you with a statement of support, which you can use towards a future CV.

During your internship you will:

- Gain an understanding of how the professional leadership body supports pharmacists and pharmaceutical scientists across the G.B.
- Build skills and confidence
- Learn about how the Education and Professional Development Directorate supports RPS members.

Your tasks will include:

- Supporting with the preparation of pre-registration trainee pharmacist materials
- Producing a report of your contribution and learning
- Analysing and reporting trends in data sets

The right candidate will have:

- Excellent communication skills, both written and verbal
- Good presentation skills
- Good organisational skills
- *A student membership with the Society.

How to apply:

Please send your CV and covering letter along with your answer to the question below to:
education@rpharms.com

In no more than 300 words, describe the benefits of work experience in the RPS and why you are the most suitable applicant.

Closing Date: 9am – Friday the 28th of June

Interview Date: Friday the 5th of July

*Membership to the Society is free for students on MPharm degree programmes across Great Britain.
